

EXTRA CURRICULAR ACTIVITIES & SUCCESSES

Many events take place during a school year which provide additional opportunities for students and many of these are organised by staff in their own time. The following is a selection of those activities which have taken place in the past year or so. Please note that we welcome parental involvement in some of these activities.

This gives an idea of the range of other activities that take place from time to time.

- Highly successful Music and Drama Productions for the Community and Primary Schools.
- Learning to drive with BSM.
- Public performances by the Steel Band
- Crime Prevention Seminar at Leicester City FC.
- There is a Careers Library run at lunch times after school.
- Several Year 9 students attended a Maths course at Leicester University and received a Master Class Certificate.
- Visits to various industrial and commercial businesses.
- Industrialists visit Crown Hills - Year 8. Making Opportunities - Year 10.
- Visit to Bradgate Park.
- Visits to Museums and Exhibitions.
