

THE GOVERNING BODY

The “Instrument of Government” for Crown Hills provides for 3 staff Governors. Elections are held amongst staff and staff Governors, appointed to serve for a period of four years.

Staff Governors attend all the Governors Meetings (see list of meeting dates). Apart from not taking part in any possible discussion concerning particular members of staff, their role is the same as any other Governor, as a member of the Corporate body responsible for the curriculum, finances, staffing and premises of the college. Should any member of staff wish to approach the Governors on any matter, he or she should do so through the Principal in the normal course of events. However, if such an approach is not feasible or is unsatisfactory, Staff Governors may refer matters to the Chair. Normally, the business of the Governors is confidential, but confidential minutes of meetings are made available via the College office.

Appointed by the Local Authority (4)

Mr V. Chudasama
