

*From Aspiration to Success*

June 2018

Dear Parents/ Carers,

I wanted to inform you that there are going to be some important changes to the school from 25<sup>th</sup> June 2018.

As you are aware the school has been increasing its number on roll from 1200 – 1500. It is intended that we will have approximately 1450 students in September 2018 and be full at 1500 in September 2019.

As part of the increase in numbers there may be some building work starting on site after that date but I will communicate that to you nearer the time.

Therefore to support this as well ensuring that the site is safe in the morning we will be reducing the number of entry points in from 3 to 1. The only entrance available at the start of the day will be from Gwendolen Road. All other entrances will be locked. It will still be possible to drop your child off in the GOALS car park but they will have to walk around to the main entrance.

At the same time there will be an increased focus on punctuality and pupils will be stopped at the gate if they arrive at or after 8.30am. The schools late policy will follow through after that. It is important that you support your child in leaving a little earlier to get here on time, especially if they are used to using the Wakerley Road or Ethel Road entrances.

Evidence clearly shows that punctuality and attendance will have a very big impact on the success of your child and we urge you to support us with both of these initiatives as we move to make Crown Hills a great school.

Yours sincerely,

F Adam  
Principal
