June 2022

Dear Parents / Carers,

I hope you are keeping well and had an enjoyable half term break.

I am writing to inform you that we are moving to a new communication app – MyChildatSchool (MCAS). MCAS will replace School Gateway (SchoolComms) that you use currently. See the timeline below for key dates:

**School Gateway
(SchoolComms)**

In use until July 2022

No longer in use from August 2022

MyChildatSchool (MCAS)

Sign up from June 2022 only (not in use)

In use from August 2022

Although the School Gateway will be used over the next 5 weeks for communication and to top up dinner money, it is vital that you sign up to MCAS **before August**. This is to ensure you are able to access all communications, top up your child's dinner money and access their timetable when they start in the new academic year 2022 – 2023.

You now should have received your login details to access MCAS via email. We are encouraging you all to take the time to install the app to your device if you have one, as this will be the easiest way to get signed up.

We hope that it will be a smooth transition for everyone. If you do experience any problems signing up or with the app, please contact the school office where we will be able to help you. There will also be guides on the school website, which will be available from Wednesday 8th June 2022.

This Friday (10th June) is our monthly coffee morning which is dedicated to supporting you as parents / carers with signing up to MCAS. Please feel free to come along if you have experienced any issues with logging in or know that you require further support.

Yours Sincerely,

Mr F Adam
